

# Global Manufacturing- Non-Detectable Warning Tape

## Features

Our Global Manufacturing Non-Detectable Warning Tape prevents damage to underground utility lines during excavation. Resistant to underground elements, this heavy metal-free, co-extruded polyethylene tape serves as a highly visible proximity device that will not lose color over time. We offer the tape in 6" x 1000' rolls.

## Sizing and Features

Product	Color	Description	BxQty
GM226	orange	Non-Detectable 6" x 1000'	1

- Formulated to resist degradation from acid and alkali commonly found in soils
